

CONTRACTOR-FOCUSED SUPPORT FOR HYGIENIC PROCESS PIPING

# Sanitary fittings and tube without the **scavenger hunt.**

Triplex Sales helps contractors source sanitary fittings, tube, gaskets, and documentation for food, dairy, beverage, brewing, pharma, and clean industrial projects - from everyday Tri-Clamp parts and A270 tubing to ASME-BPE and exotic-alloy requirements.

## 6 brands

Dixon, Wayland, Steel & O'Brien, VNE/MaxPure/MaxCore, RathGibson, United.

## 8+ styles

Tri-Clamp, weld, bevel seat, I/Q-Line, John Perry, DIN, SMS, RJT, BPE.

## In-stock tube

Large sanitary tubing inventory ready for same-day delivery.

## No-charge IL delivery

Applies to sanitary tube orders across Illinois.

## WHY CONTRACTORS CALL TRIPLEX

- **Share the fittings list - we'll quote it clean.** Fast review on fittings, sanitary tube, gaskets, clamps, and oddball transitions.
- **In-stock sanitary tube, fittings, and gaskets on one order.** Large tube inventory helps keep tight install windows moving.
- **Cross the spec without guessing.** Match connection style, alloy, finish, MTR, gasket material, and cert needs.
- **Non-catalog items are not dead ends.** Custom fabrication capabilities for spools, laterals, modified fittings, and one-off geometry.

## BUILT FOR SANITARY PIPING WORK

- Planning-stage material review for sanitary process piping packages, including tube runs, fittings, clamps, and gaskets.
- Replacement support for Tri-Clamp, bevel seat, I-Line/Q-Line, John Perry, DIN, and BPE components.
- Gasket and clamp guidance when pressure, temperature, cleanability, or chemistry make the standard answer risky.
- Documentation support: heat numbers, MTRs, finish requirements, 3-A, ASME-BPE, FDA/USP gasket requirements.

## PROGRAM OVERVIEW

CATEGORY	COVERAGE	CONTRACTOR BENEFIT
Fittings	Clamps, ferrules, elbows, tees, reducers, caps, adapters, laterals.	Common parts and odd transitions under one roof.
Tube	A270 S2 sanitary tube, polished ID/OD, 20' lengths, 304L/316L, specialty tubing.	Large in-stock inventory, same-day delivery support, and no-charge Illinois delivery for sanitary tube orders.
Connections	Tri-Clamp, weld, bevel seat, I-Line/Q-Line, John Perry, DIN/SMS/RJT, BPE.	Useful for plant tie-ins, legacy dairy, imported equipment, and clean utilities.
Custom fab	Non-catalog spools, laterals, modified fittings, and special geometries.	A practical path when the drawing does not match a standard catalog part.

## SHARE THE FITTINGS LIST

Before the next sanitary piping job, send Triplex the material list.

We'll help quote the material, flag questionable specs, suggest clean substitutions, and pull the documentation trail before the project turns into a jobsite scramble.

- Local Schaumburg support
- No-charge IL tube delivery
- Catalog + custom options
- In-stock tube inventory
- Built for shutdowns & tie-ins
- Quote, timing, documentation

SANITARY FITTINGS & TUBE

# Six brand partners. One Triplex source.

## BUILT FOR CONTRACTORS WHO NEED ANSWERS BEFORE THE SHUTDOWN CLOCK STARTS.

Large in-stock sanitary tube inventory ready for same-day delivery, plus Tri-Clamp, weld, bevel seat, BPE, gaskets, hangers, and transitions. No-charge Illinois delivery applies to sanitary tube orders.

## REAL SANITARY COMPONENTS FROM THE TRIPLEX FITTINGS LINEUP
